ORDER

On April 25, 2006, the court granted summary judgment in favor of defendants, Oxyde Chemicals, Inc. and Oxyde Chemicals B.V. These defendants have moved for the entry of final judgment as to the claims against them. Under Rule 54 of the Federal Rules of Civil Procedure, this court directs entry of final judgment as to the claims against Oxyde Chemicals, Inc. and Oxyde Chemicals B.V. and finds that there is no just reason for delay in entering judgment. Accordingly, all claims against Oxyde Chemicals, Inc. and Oxyde Chemicals, B.V. are dismissed, with prejudice. Each party is to bear its own taxable costs, expenses, and attorneys' fees.

This is a final judgment.

SIGNED on March 7, 2008, at Houston, Texas.
